CELLAR SELECTION

We keep a few special bottles tucked away in the cellar should you feel like treating yourself. Stocks are limited and we always try and offer a range of styles from some of the world's best producers. They all have a bit of bottle age and are sitting nicely in their drinking windows.

WHITE WINE

		Bottle
80.	Pouilly-Fuissé | Domaine du Roc des Boutires 2020*, Burgundy, 12.5%abv* *A perfect example of Chardonnay from the most celebrated part of the Mâconnais. Golden yellow in colour, this wine has a fragrant nose with aromas of apricot, peach and hints of fennel. The palate is refined with citrus and mineral graphite notes adding to the complexity of this wine that has a lovely saline character and a long mouthwatering finish.*	£75.00
81. *V, B*	Riesling | Spätlese Troken Sybille Kuntz 2015 *Mosel, Germany 12.5% abv* *The grapes for Sybille's Spätlese (Late Harvest) are, as the name suggests, picked late in the harvest when they are fully ripe. They come from the Kuntz's best vineyards on the steep slopes of the Niederberg-Helden. The grape's long ripening phase ensures the wines aromas are fine and complex. A Riesling hardly to be topped in terms of density and expression. A dry and truly exquisite wine.*	£73.00
82.	Chablis 1er Cru | 'Montmains' Jean Collet 2019 *Chablis, Burgundy, France 12.5% abv* *Classic wine from one of France's most famous vineyard areas. Collet's Montmains is a fat and structured wine with floral notes, vibrant citrus and fresh oyster shells. It is delicious with fresh fish and white meats.*	£72.50
83. *V*	Sancerre | Domaine Reverdy Ducroux 2022 *Loire Valley, France 13% abv* *The first recorded mention of this estate dates back to 1550, and these days the vineyards are managed according to the sustainable principles of lutte raisonnée; allowing grass to grow through the vineyards which helps maintain the soil structure. Mechanical weeding is favoured over chemicals, copper additions are minimal and quality is enhanced using de-budding and a systematic thinning whenever necessary. Unoaked, light yellow colour, floral and fruity notes. Well-balanced on the palate, with good freshness in its youth.*	£61.00
84. *V, ONC*	Grand Cru Pinot Gris | Meyer Fonne 'Kaefferkopf' 2020 *Alsace, France 14% abv* *A superb example of the finesse and complexity that can be achieved in Alsace, the area is one of the world's greatest examples of terroir and its soil diversity means that several grape varieties can flourish here making it one of the most varied grape growing regions in the world. The Domaine has always been farmed organically and they now like to play around with a few Biodynamic techniques. Large, older foudres (wooden barrels) are preferred, in conjunction with stainless steel vats for the more aromatic varieties. This gives the wines a delicacy, depth and complexity which is quite special and most pronounced on the Grand Cru wines.*	£75.00

RED WINE

85. **Fronsac** | **Chateau Moulin Haut-Laroque** 2012 *Bordeaux, France 13.5% abv* £75.50
One of Fronce's leading estates, there is a graphite freshness from the Cabernet Franc behind the ripe blackcurrant fruit in this wine. It presents ripe tannins and a silky texture which is complemented by tobacco and leather aromas.

86. **Meerlust Rubicon** | 2017 *Stellenbosch, South Africa 14% abv* £86.00
This might be one of the world's last wine bargains. Prices of fine wines have rocketed over the years but not so much in South Africa. Meerlust produce one of South Africa's finest Bordeaux blends in Rubicon. Elegant, big and complex, a perfect partner for red meat.

87 **Chateau Musar** | 2016 *Bekka Valley, Lebanon 13.5%* £102.50
V, O
Iconic wine made in one of the world's most unstable places. The wine is a magical blend of Cabernet Sauvignon, Cinsault and Carignan. It has the lure of great Burgundy along with the power of great Bordeaux. A unique drinking experience!

88. **Tupinier Bautista Mercurey 1er Cru 'Clos du Roy'** | 2020 *Burgundy, 13% abv* £105.50
O
Tupinier Bautista's most prized vineyard and one that produces a Pinot Noir of great subtlety and delicate elegance. It is a harmonious wine with deep red fruit, blackcurrant and rich dark cherry. The balance of smoky oak is perfect and gives the wine depth and complexity.

89. **Barolo** | **'Castellero' Giacomo Fenocchio** 2017 *Piedmont, Italy, 14.5% abv* £111.00
A premier wine from the Piedmont region of Italy, known for its elegant and complex flavors. Made from 100% Nebbiolo grapes from the Castellero vineyard, the wine is aged for a minimum of two years in oak barrels to develop its characteristic aroma and taste. This Barolo is deep ruby in color, with a nose of dark cherry, violet, and herbs. On the palate, it is full-bodied with firm tannins, flavours of dried fruit, tobacco and leather, and a long finish.

90. **Cote Rotie La Sarrasine** | **Domaine de Bonserine** 2020 *Rhône, France 13.5% abv* £112.00
V
This prestigious estate has only 10 hectares of vineyards, which consist mainly of an old Syrah called "Serine". This is a very old clone of Syrah that produces small clusters of loose berries resulting in a particularly aromatic wine. No pesticides, herbicides or chemicals are used in their sustainable agriculture and, with a recent revamp of their cellar, the modern winery enables them to craft even more refined, elegant wine.

91. **San Polino** | **Brunello Di Montalcino** 2018 *Tuscany, Italy 14.5%abv* £124.00
V, O, B
A premium red originating from the hilly region of Montalcino. It is crafted using 100% Sangiovese grapes meticulously grown and hand-harvested from the estate's biodynamic vineyards. The wine represents the purest expression of Sangiovese, matured in elegant French oak barrels and aged for three years in the bottle, giving a full-bodied and complex nature. The rich, dark red wine features aromas of wild berries, leather, and earthy spices with a long finish of savoury minerality, a testament to the passion and artistry of the estate's viticulturist and winemaker, and a true tribute to Tuscan winemaking heritage.
